To get started follow these simple steps...

1. Go to <https://www.mydoterra.com/susantomlinson/> and you will invest in a **£20 + VAT One Time Fee** by purchasing an Introductory Essential Oil Packet upon check out, OR, **choose an Enrollment Kit and your £20 + VAT fee is waived.**

2. Once you click on the link then click **JOIN AND SAVE** (at the top of the page on the right-hand side) and then on the next page at the bottom click **JOIN doTERRA**

3. Then you will then be able to pick your country Once you've selected your country, **select "Wellness Advocate"** so you get the very best deal and can build your business (if you would prefer to simply use the products select **Wholesale Customer** instead of Wellness Advocate)

4. Enter your personal details. The "Enroller ID" and "Sponsor ID" boxes should already be filled in for you but if not **enter 1680648** in both boxes so I can support you going forward. Click verify and you should see my name

5. **Fill out your details** including name, address, billing address, shipping address and remaining contact info.

6. Next, you will select your **time zone** and your own virtual office **password** so you can login to your now, newly opened account and indulge yourself anytime you want!

8. **Select your initial order**, meaning, your £20 + VAT Introductory Essential Oil Packet plus the first products you'd like to choose a la carte by typing in the names of the oils or products. **OR** choose an ENROLLMENT Kit

9. Personally, I think getting an ENROLLMENT KIT is the best deal. My favourite starter kits are the **Home Essentials Kit** and the **Natural Solutions Kit** because you get a free diffuser, free product credits and a great selection of doTERRA' s most popular solutions for your home and family. (see below for details of all the kits)

If you'd like to put together your own kit, I can help you tailor one to your needs.

10. Set up your **OPTIONAL Loyalty Rewards**. You'll definitely want to look at this because it's going to save you money. You literally get back free products and product credits every month. I'm now getting back 30% of my order every month in product credits. Plus if you want to explore the business opportunity a monthly order is essential so you can get paid commissions. And if you are simply interested in being a customer you'll love the Loyal Rewards Programme for the free product incentives.

Once you've set up your account you'll shortly receive a welcome email from me and access to our members only website!
